

“Visiting” Author Series

Tuesday, December 7 at 7 p.m.
(Zoom)

Mark Sullivan, author of
The Last Green Valley

1944, Ukraine: Emil and Adeline Martel, both of German heritage, must decide to either wait for the Soviet's intrusion and risk being set to Siberia or follow the Nazi officers who have pledged to protect “pure” German blood.

An intriguing multigenerational novel. Sullivan is also the author of *Beneath the Scarlet Sky*.
