## The Importance of our 100th Anniversary

For 100 years, our Beth El Temple has been a beacon of hope and a welcoming home for spiritual transformation—a place where men and women worship and lead, a place where all people are counted. From the first services where the sun rises at the ark of Beth El Temple and sets at the doors to the Sanctuary by the River, we have nurtured generations of families with some of the most influential and well-respected Rabbis over the last century. This milestone is not just a moment to look back but an opportunity to envision our future.

Our 100th anniversary provides the opportunity to raise funds to address needs to upgrade our synagogue, both outside and in, while at the same time developing proactive programming to attract new members and better serve our Beth El Temple Community.

## Our Vision for the Future

Celebrating this landmark occasion does not just mean envisioning a future that will honor our past while embracing the challenges and opportunities that lie ahead. Our vision alone is not going to secure this future for us and our successors. They deserve to inherit from us another century of growth for our beloved Beth El. Therefore, we ALL must decide how we can help make this vision into a reality. Now is the moment to build our shared future - to launch a vision for Beth El that is crucial and compelling for generations to come. The 100th-anniversary campaign invites all of us to invest in our community, to preserve our heritage, and to sustain a sacred institution that is whole for future generations. Beth El Temple will focus on these three essential areas that will help us secure our future and continue to thrive for the next 100 years.

## Our Goals include:

### Pavilion:

We are excited to propose the construction of a new outdoor pavilion for Beth El Temple, designed to enhance our community's spiritual, social, and educational experiences. **Together, we can build a pavilion that reflects our values and strengthens our bonds. We invite you to join us in making this vision a reality.**

### The Windows of Beth El Temple:

We propose the installation of five stained glass windows in our sanctuary, each piece honoring significant events in Israel's rich history. This artistic endeavor will not only enhance the aesthetic beauty of our space but also serve as a profound educational tool and a source of inspiration for our community. **Together, let us create a lasting tribute that celebrates our identity and faith. We invite you to join us in this transformative project, ensuring that the stories of our past continue to inspire our future.**

### Expanding our Outreach and Exceptional Programming:

Because we are Beth El, we will continue to focus on exploring and developing innovative learning opportunities for all ages to deepen our understanding of Jewish traditions, values, and community involvement in this ever-changing world. **Together, by embracing and planning for increased engagement opportunities, we can further strengthen and grow our Beth El Temple Community. We invite you to provide support for our vital 100th-anniversary programs that will sustain the life of our Beth El Temple community.**
